Stem Premier

STEMPremier®

Stem Premier is an online platform that allows colleges to connect with students. On August 1st, FBLA has launched new online badges for students' accomplishments in FBLA. From completing BAAs, to serving as a state officer. Stem Premier is a great way for FBLA members to connect with colleges and occupations that interest them. Sign up and earn today!

BAA pins

Completing each level of the BAAs gives you a new pin! The Leader pin is handed out at your State Leadership Conference and the America pin is handed out at the National Leadership Conference!

Level 1 - Future

Level 2 - Business

Level 3 - Leader

Level 4 - America

Grow through activities

The activities in all four levels of the Business Achievement Awards will enhance your leadership skills and expand your business knowledge in so many ways, allowing you to grow as a future business leader!

Our founding principles of service, education, and progress are the foundation of the Business Achievement Awards.

Service

Through the education activities you will understand business and the world of work. The activities focus on preparing you for corporate America, developing an appreciation of entrepreneurship, and understanding the benefits of continuing education. With input from business educators, industry professionals, and college educators, you will be more prepared for your future at college and at work.

Education

Through the progress activities you will explore the local, state, and national levels of FBLA-PBL and how they complement one another. You will focus on activities that promote FBLA-PBL at the local, regional/district, state and national levels.

Progress

Activities that promote the organization at the local, regional/district, state and national levels. Upon completion, FBLA members will better understand the local, state, and national levels of the organization and how they complement one another.

Resources

A list of resources can be found on this Google Drive

For educators:

National Standards for Business Educations

The Business Achievement Awards align with several different NBEA standards recognized by Career and Technical Education in the Department of Education.

The alignments can be found here

<http://www.fbla-pbl.org/fbla/programs/education/baa/alignments/>

The BAAs are a co-curricular program that extends CTE educational opportunities to all members — inside and outside the classroom. Take advantage by signing up your students today.
