Dear XXXX:

I would like to invite you to join the Future Business Leaders of America-Phi Beta Lambda (FBLA-PBL) Professional Division.

The FBLA-PBL Professional Division is for businesspeople, educators, parents, former FBLA members, and anyone who supports the goals of our organization. Professional Division members serve as liaisons between the workplace and classroom, mentor the members of the organization to strengthen leadership abilities, provide career counseling, and keep members informed and up to date on current business trends.

Members of the Professional Division are given the opportunity to present workshops, judge competitive events, speak at conferences, and mentor the organization's members. Members can also provide business tours and create job-shadowing and internship opportunities. Membership benefits include networking opportunities at national-level conferences, discounts on travel and insurance, and receiving *The Professional Edge*, an exclusive publication for Professional Division members.

You can choose to pay an annual membership fee of \$25.00, or become a Lifetime Member, with a one-time payment of \$350.00.

As a valuable member and leader in our community, you would be a very beneficial addition to our organization. Your leadership skills and experience in the real world are what we need to help mentor the next generation of business leaders. If you have any questions, you can contact me or visit the FBLA website (www.fbla-pbl.org.)

I hope you will consider joining the FBLA-PBL Professional Division.

Sincerely,

XXXX
